J –

My director, Rob Tomiak is planning to call the WO and probably Chirs F. early next week if he hasn't had feedback on whether the FS will be identifying a preferred alternative in the Hunter SDEIS. I understand that our regional folks are talking to your regional folks on the matter. I can discuss the details with you when you have time. I am here today until 7 and 9:30 – 7 tomorrow.

Also, I have a mtg with Greg Smith and staff for a generic update on land exchanges at 11. Maybe you are available after? Let me know.

Also, there have been some ongoings with Rosemont. Have you talked with Ted? The COE and Co had a private mtg. I don't know the outcome, but perhaps your folks know more or should if they don't.

Regards, E...
